HOME OCCUPATION

Detailed accessory use regulations: home occupations. It is the intent of this subsection to regulate the operation of home occupations so that the average neighbor, under normal circumstances, will not be aware of their existence other than for a permitted sign.

- 1. Any resident conducting a home occupation shall apply for and receive a zoning certificate from the zoning officer subject to the following regulations.
- 2. Any occupation which is customarily, in whole or in part, conducted in a residence may be conducted in any dwelling unit, provided that all of the following criteria are met:
 - a. The occupation must be clearly incidental to the use of the dwelling as a residence.
 - b. No outdoor display or storage of materials, goods, supplies or equipment used in the home occupation shall be permitted on the premises.
 - c. There shall be no visible evidence that the residence is being operated as a home occupation. The total of all employees inclusive of family members shall not exceed six (6) persons.
 - d. Off-street parking shall be provided on the premises, as required by Sections 4602 and 5700 or as otherwise necessary.
 - e. A home occupation use shall not generate nuisances such as traffic, on-street parking, noise, vibration, glare, odors, fumes, electrical interferences, or hazards to any greater extent than what is usually experienced in the residential neighborhood.

have read the home occupation rules/regulations and will abide by the Town's guidelines.
