FY2026 - 2027 Adopted Budget for the Town of Havana

Leigh Davis

Town Manager, Havana

Town Manager's Budget Message

Dear Honorable Mayor and Members of the Town Council:

In accordance with the Town of Havana Charter, the Code of Ordinances, and the laws of the State of Florida, it is my pleasure to present the Town of Havana's Operating and Capital Budget for Fiscal Year (FY) 2027, beginning October 1, 2026 and ending September 30, 2027.

The FY2027 budget has been prepared with three primary tenants: sustain the Town's financial solvency, address critical operational and infrastructure needs, and continue to provide quality services to Havana's citizens.

Staff gave particular consideration to the previous two years' actuals, new state unfunded mandates, and rising costs (i.e. fuel, materials, and health insurance). Budget line items, therefore, were adjusted accordingly to better reflect these identified trends.

During FY2026, the Town advanced key priorities through the opening of its new Public Safety Complex, an improved ISO rating, a new Fire Service Support contract with Gadsden County, continued investments its electric infrastructure, and strategic growth through voluntary annexations.

In FY2027, Havana will see continued improvements to infrastructure, especially within the waste water collection system and treatment plant. That will be achieved through grant dollars providing $7.4 million for lift station refurbishment and an additional $850,000 for treatment plant improvements.

As the new Town Manager, I appreciate the trust the Mayor and Council have placed in me to lead Havana and face the opportunities and challenges that lie ahead. Their guidance and policy decisions greatly attribute to the long-term success of Havana.

I look forward to serving the Mayor and Council and the citizens of Havana.

Leigh Davis
Town Manager

FY2027 Budget Highlights

- Set Millage Rate at 3.00, which is consistent with prior year millage.
  - Set Cost of Living Adjustment (COLA) as follows (decrease from prior year): FY27 COLA $1,500
- Increase funding for professional services to modernize operations and increase efficiencies
- Significant improvements to the waste water collection system
- Increase Right of Way Tree Trimming
- Replace door to Waterworks Building
- Repair Equalization Tank
- Havana's overall operating budget increased by 2.3% or $348,904;
  - Of that, $246,050 (1.55%) is approved/anticipated grant funding that will be utilized for much needed infrastructure improvements.
  - The remaining $102,000 (0.75%) is spread across all funds and is an overall minimal increase in the cost of doing business.
