**7I. Resolution 2026-05R-SRF Grant-Lift Station Improvements**

Mayor Bass introduced Trevor Burch from Dewberry to explain the grant for Lift Station Improvements. Trevor advised that this resolution is for the SRF grant received for special appropriations due to Hurricanes Milton and Helene to make improvements at the lift stations in Havana. Basically, it's a boilerplate agreement the state has to be able to accept funding and move forward with the opportunity to receive the funding. Councilman Wesolowski advised the Resolution shows no match required by the town and that is also documented in the Resolution.

Councilman McKinnon moved to approve, Councilman Wesolowski seconded the motion and the motion carried.

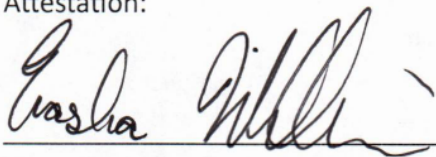

Motion to adjourn was made by Councilman McKinnon and was seconded by Councilman Wesolowski and the motion carried.

Mayor Bass adjourned the meeting at 6:31pm.
